

LOVE LIFE LIVE LENT

TRANSFORM YOUR WORLD

is a new way of marking Lent. Instead of giving up chocolate or going on a detox, it encourages people to undertake a simple act of generosity each day. The actions are small and fun to do, but make a real difference in homes, families and communities. It began in 2006 and since then over 250,000 people nationwide have participated.

This church has purchased a booklet for every person for Lent and they will be available very shortly. There is also material linked to the booklets for use by housegroups; for sermon preparations and for individual use just go on to the website www.livelent.net for more information

So this Lent don't "give up" but "give back" in acts of generosity.
