

LOVE LIFE LIVE LENT TRANSFORM YOUR WORLD

is a new way of marking Lent. Instead of giving up chocolate or going on a detox, it encourages people to undertake a simple act of generosity each day. The actions are small and fun to do, but make a real difference in homes, families and communities. It began in 2006 and since then over 250,000 people nationwide have participated.

This church has purchased a booklet for every person for Lent and they will be available very shortly. There is also material linked to the booklets for use by housegroups; for sermon preparations and for individual use just go on to the website www.livelent.net for more information

So this Lent don't "give up" but "give back" in acts of generosity

Kids Rock

Kids Rock is a club where Primary School children aged 7-11 are given the opportunity to learn about God and the Christian faith through fun activities, games, Bible stories and prayer. The Headteacher at Hempland Primary School is hoping that York Schools and Youth Trust (YOYO) can lead one of these clubs at the school in the very near future, but to be able to do this, they need the support of local churches and people to help on a regular basis. Can you offer some help on a Monday from 3.15pm-4.15pm during term time? To find out more, contact Kim on 424571 or kim.gabbatiss@ntlworld.com. Please pray about this and if you think this might be something you can help with, or know of someone who may be interested in this wonderful opportunity – do please let me know as soon as possible_Thank you! (Kim)
